

EXECUTIVE EDUCATION INSURTECH PROGRAMME

OUTLINE & BOOKING FORM

Delivered by:

a corporate partner of

Physical presence of face-to-face programme instructors in Eswatini

SCOPE OF PROGRAMME:

The content is specific to the African insurance industry contexts of delegates. Each of the 12 modules is designed to be comprehensive, interactive, and engaging, ensuring a deep understanding of Insurtech and its impact on the insurance industry, particularly within the Sub-Saharan African context.

The training includes hands-on practice sessions with a focus on interactive and practical approaches to learning. This Insurtech Programme is designed to equip participants best practices in insurance innovation.

By the end of this training course, participants will have a deep understanding of the latest developments, challenges, and best practices in Insurtech.
